

## Lori L.S. Mingus Joins MGP Ingredients Board of Directors

August 26, 2020

ATCHISON, Kan., Aug. 26, 2020 (GLOBE NEWSWIRE) -- MGP Ingredients, Inc. (Nasdaq: MGPI), a leading supplier of distilled spirits and specialty wheat proteins and starches, announced that Lori L.S. Mingus has been elected to the Board of Directors effective as of MGP's annual meeting of stockholders on June 30, 2020.

Mingus is the executive designer and owner of Torpa Design Co., specializing in all facets of graphic design, and interior and exterior design, since 2005. She began her graphic design career in 1996, and worked for public companies, national associations and an advertising agency.

"We welcome Lori's business and civic experience, and especially value her knowledge of the industries in which we operate," said MGP Chief Executive Officer Dave Colo.

Mingus is the fourth generation of the founding Cray family to serve MGP and the Atchison community, where she is a trustee of the Evan C. Cray Historical Museum and a board member of the Amelia Earhart Foundation. She also serves on the board of the Cray Medical Research Organization at the University of Kansas Medical Center in Kansas City, Kan.

"It's been a privilege for our family to help guide the growth of MGP and I am happy to have the next generation at the table," said MGP Chairman Karen Seaberg, Mingus's mother.

Mingus graduated from the University of Kansas with B.F.A and B.G.S degrees.

### About MGP

Founded in 1941, MGP (Nasdaq: MGPI) is a leading supplier of premium distilled spirits and specialty wheat proteins and starches. Distilled spirits include bourbon and rye whiskeys, gins and vodkas, which are carefully crafted through a combination of art and science backed by a long history of experience. The company's proteins and starches are created in the same manner and provide a host of functional, nutritional and sensory benefits for a wide range of food products. MGP additionally is a top producer of high quality industrial alcohol for use in both food and non-food applications. The company is headquartered in Atchison, Kansas, where it produces premium distilled spirits and food ingredients. The company also produces premium distilled spirits in Washington, D.C., and at its historic distillery in Lawrenceburg, Indiana.
