PROXY STATEMENT

This Proxy Statement and the enclosed form of Proxy are being furnished in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders of MGP Ingredients, Inc. (the "Company") to be held on Thursday, October 13, 2005, as set forth in the preceding Notice. It is expected that this Proxy Statement and the enclosed form of Proxy will be mailed to stockholders commencing September 22, 2005.

GENERAL INFORMATION

The holders of outstanding shares of Common Stock and Preferred Stock of the Company at the close of business on August 20, 2005 are entitled to notice of and to vote at the Annual Meeting. The presence in person or by proxy of persons entitled to vote a majority of the issued and outstanding stock of each class of stock entitled to vote will constitute a quorum for the transaction of business at the meeting. As of August 20, 2005, there were 16,288,630 shares of Common Stock outstanding and 437 shares of Preferred Stock outstanding.

Generally, holders of Common and Preferred Stock each vote separately as a class with respect to each matter that the class is authorized to vote on, with each share of stock in each class being entitled to one vote. In connection with the election of directors, the holders of Common Stock are entitled to vote on the election of Group A directors and the holders of Preferred Stock are entitled to vote on the election of Group B directors. The candidates for office who receive the highest number of votes will be elected. Although no other proposals are scheduled to come before the meeting, the affirmative vote of the holders of a majority of the shares of Preferred Stock and of the holders of a majority of the shares of Common Stock present in person or by proxy at the meeting and entitled to vote thereat (or such higher voting requirement as may be specified by law or the Company's Amended and Restated Articles of Incorporation) is required for approval of other proposals.

Abstentions and broker non-votes will be counted as present for purposes of determining the existence of a quorum at the Annual Meeting. Abstentions will be treated as shares present and entitled to vote for purposes of any matter requiring the affirmative vote of a majority or other proportion of the shares present and entitled to vote. With respect to shares relating to any Proxy as to which a broker non-vote is indicated on a proposal, those shares will not be considered present and entitled to vote with respect to any such proposal. With respect to any matter brought before the Annual Meeting requiring the affirmative vote of a majority or other proportion of the outstanding shares of a class, an abstention or non-vote will have the same effect as a vote against the matter being voted upon.

Any stockholder giving a Proxy may revoke it at any time prior to its use by executing a later dated Proxy or by filing a written revocation with the Secretary of the Company. A stockholder may also revoke a Proxy by appearing at the meeting and voting by written ballot. All shares represented by a Proxy in the enclosed form that is properly executed and received in time for the meeting and not revoked will be voted. If a choice is specified with respect to any matter to be acted upon, the shares will be voted in accordance with the specification so made. If no choice is specified, the Proxy will be voted **FOR** each of the nominees named on the Proxy with respect to the election of directors.

The members of these committees throughout the last fiscal year were as follows: Audit Review Committee – John E. Byom (Chairman), Michael Braude, Linda E. Miller, Daryl R. Schaller and John R. Speirs; Nominating Committee – Linda E. Miller (Chairman), John R. Speirs and Michael Braude; Human Resources and Compensation Committee – Daryl R. Schaller (Chairman), Michael Braude, John E. During the fiscal year ended June 30, 2005, the Board met 5 times, the Audit Review Committee met 5 times, the Human Resources Committee met 5 times and the Nominating Committee met 3 times. Each director attended at least 75% of the meetings of the Board and the Committees of which the director was a member.

Audit Review Committee. The Audit Review Committee reviews the process involved in the preparation of the Company's annual audited financial statements and appoints a firm of independent public accountants to serve as independent auditor and to conduct that audit and review the Company's quarterly financial statements. It also reviews and makes recommendations with regard to the process involved in the Company's implementation of its conflict of interest and business conduct policy and is responsible for establishing and monitoring compliance under the code of ethics applicable to the chief executive and financial officers. In connection with this work, the Committee annually reviews: (a) the adequacy of the Audit Review Committee's written charter that has been adopted by the Board of Directors; (b) the independence and financial literacy of each member of the Audit Review Committee; (c) the plan for and scope of the annual audit; (d) the services and fees of the independent auditor; (e) certain matters relating to the independence of the independent auditor; (f) certain matters required to be discussed with the independent auditor relative to the quality of the Company's accounting principles; (g) the audited financial statements and results of the annual audit; (g)

4

recommendations of the independent auditor with respect to internal controls and other financial matters; (h) significant changes in accounting principles that are brought to the attention of the Committee; and (i) various other matters that are brought to the attention of the Committee.

The Board of Directors has determined that John E. Byom is an "audit committee financial expert", as defined in Item 401(h) of SEC Regulation S-K. The Board has determined that Mr. Byom is independent, as independence for audit committees is defined in the applicable listing standards of the National Association of Securities Dealers. Under SEC regulations, a person who is determined to be an audit committee financial expert will not be deemed an "expert" for any purpose, including without limitation for purposes of section 11 of the Securities Act of 1933. Further, the designation or identification of a person as an audit committee financial expert does not impose any duties, obligations or liability on such person that are greater than the duties, obligations and liability imposed on such person as a member of the audit committee and board of directors in the absence of such designation or identification and does not affect the duties, obligations or liability of any other member of the audit committee or board of directors.

The Board has determined that each member of the Audit Review Committee is "independent", as independence for audit committees is defined in the applicable listing standards of the National Association of Securities Dealers. The Board of Directors has adopted a written charter for the Audit Review Committee, a copy of which is attached as an appendix to this proxy statement.

The information in or referred to in the foregoing paragraph shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Human Resources and Compensation Committee. The Human Resources and Compensation Committee recommends to the Board of Directors the compensation of the Chief Executive Officer and other executive officers of the Company. The Committee approves a bonus system for various key employees and reviews the scope and type of compensation plans for management personnel. The Committee administers the Company's Executive Stock Bonus Plan, the Salaried and Senior Stock Incentive Plans and the Directors' Stock Option Plans, and also serves as an executive search committee. Each of the members of the Human Resources and Compensation Committee is independent, as defined in the listing standards of the National Association of Securities Dealers applicable to compensation committees.

Nominating Committee. The purposes of the Nominating Committee are to recommend to the Board the qualifications for new director nominees, candidates for nomination and policies concerning compensation and length of service. The Nominating Committee has a charter, a copy of which is available to stockholders on the company's website at www.mgpingredients.com. Each of the members of the Nominating Committee is independent, as defined in the listing standards of the National Association of Securities Dealers applicable to nominating committees.

In identifying nominees for the Board of Directors, the Nominating Committee relies on personal contacts of the committee members and other members of the Board of Directors and management. The Nominating Committee will also consider candidates recommended by stockholders in accordance with its policies and procedures. However, the Nominating Committee may choose not to consider an unsolicited candidate recommendation if no vacancy exists on the Board. The Nominating Committee may, in its discretion, use an independent search firm to identify nominees. This year's new nominee, Mr. Gradinger, was recommended to the Nominating Committee by the Company's Chairman of the Board, Mr. Cray.

The Nominating Committee believes each candidate for the Board should be a person known for his or her integrity and honesty and should have, by education or experience, knowledge or skills which may be helpful to the Board in exercising its oversight responsibilities. A sufficient number of Board members must meet the tests for independence set forth in the applicable listing standards of the National Association of Securities Dealers and Section 10A of the Exchange Act to permit the Company to satisfy applicable NASD and legal requirements. The Committee also believes it is desirable for at least one Board member to be an

5

"audit committee financial expert", as defined in Rule 401(h) of Regulation S-K. In considering candidates, the Committee may take into account other factors as it deems relevant.

In evaluating potential nominees, the Nominating Committee determines whether the nominee is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria set forth above. The Nominating Committee will conduct a check of the individual's background and will conduct personal interviews before recommending any candidate to the Board. The Nominating Committee in its sole discretion may require candidates (including a stockholder's recommended candidate) to complete a form of questionnaire to elicit information required to be disclosed in the Company's proxy statement.

Stockholders who wish to recommend candidates for consideration by the Nominating Committee in connection with next year's annual meeting should submit the candidate's name and related information in writing to the chairperson of the Nominating Committee in care of the Company's Secretary, at 1300 Main, P.O. Box 130, Atchison, Kansas, 66002, on or before May 25, 2006. In addition to the name of the candidate, a stockholder should submit

- his or her own name and address as they appear on the Company's records;
- if not the record owner, a written statement from the record owner of the shares that verifies the recommending stockholder's beneficial ownership and period of ownership and that provides the record holder's name and address as they appear on the Company's records;
- a statement disclosing whether such recommending stockholder is acting with or on behalf of any other person, entity or group and, if so, the identity of such person, entity or group;
- the written consent of the person being recommended to being named in the proxy statement as a nominee if nominated and to serving as a director if elected;
- pertinent information concerning the candidate's background and experience, including information regarding such person required to be disclosed in solicitations of proxies for election of directors under Regulation 14A of the Securities Exchange Act of 1934, as amended.

Director Fees. Non-employee directors are paid a retainer at the rate of \$2,500 quarterly, \$625 for attendance at each meeting of the Board, and \$312.50 for attendance at each meeting of a committee of the Board. Employee directors receive a fee of \$437.50 for attendance at each meeting of the Board of Directors. Pursuant to a stockholder approved plan, each non-employee director also receives an automatic grant of an option to purchase 2,000 shares of the Company's Common Stock on the first business day following each annual meeting of stockholders at a price equal to the fair market value of the Common Stock on that date. Options become exercisable on the 184th day following the date of grant and expire on the sooner of (a) ten years from the date of grant, (b) three years following termination of the director's office due to retirement following age 70, (c) one year following termination of the director's office due to death or (d) 90 days following the date of the termination of the director's term of office for any other reason.

Communications with Directors and Director Attendance at Shareholder Meetings. The Company's policy is to ask directors to attend the annual meeting of stockholders, and all of the directors attended last year's annual meeting. Stockholders may communicate directly with board members by writing the board or individual board members in care of the Company's secretary at the Company's executive offices. Letters should be addressed as follows: Name of director - In care of Marta Myers, Secretary - MGP Ingredients, Inc. - 1300 Main Street, P.O. Box 130 - Atchison, Kansas 66002.

PERFORMANCE OF THE COMPANY'S COMMON STOCK

The stock performance graph shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The following performance graph compares the performance of the Company's Common Stock during the period beginning June 30, 2000 and ending June 30,

2005, to the Center for Research in Security Prices of the University of Chicago Graduate School of Business ("CRSP") index for the NASDAQ Stock Market (the "NASDAQ COMPOSITE" index consisting of US companies) and a peer group CRSP index consisting of active NASDAQ stocks of US processors of food and kindred products having SIC codes between 2000 - 2099 (the "NASDAQ Food" index) for the same period. The number of companies in the NASDAQ Food index varies from period to period but consisted of 35 companies at the end of June 2005. The graph assumes a \$100 investment in the Company's Common Stock and in each of the indexes at the beginning of the period and a reinvestment of dividends paid on such investments throughout the period.

REPORT OF THE HUMAN RESOURCES AND COMPENSATION COMMITTEE

The report of the Human Resources and Compensation Committee of the Board of Directors shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Human Resources and Compensation Committee Interlocks and Insider Participation. Executive compensation is based primarily upon recommendations made to the Board of Directors by the Company's Human Resources and Compensation Committee (the "Committee"). The Committee for the year ended June 30, 2005, consisted of Daryl R. Schaller, Ph.D. (Chairman), Michael Braude, John E. Byom, Linda E. Miller and John R. Speirs. All of the members of the Committee are non-employee directors of the Company. The Committee recommends to the Board of Directors compensation and compensation plans for the Chief Executive Officer and other executive officers. The recommendations are acted upon by the full board, which includes Messrs. Seaberg and Schrick, who are two of the five highest paid officers of the Company.

This report is provided by the Committee to assist stockholders in understanding the Committee's philosophy in establishing the compensation of the Chief Executive Officer and all other Executive Officers of the Company for the year ended June 30, 2005.

Compensation Philosophy. Historically, executive compensation has been designed to link rewards with business results and stockholder returns consistent with (a) the executive's level of responsibility, (b) compensation paid to the executive in the prior year, (c) the Company's performance for the year and the prior year, (d) the executive's individual performance for the year and the prior year, (e) salary levels for executives in comparable positions in comparable enterprises, (f) inflation, and (g) a variety of other factors. The components of Executive Compensation which reflect this philosophy may consist of (i) annual base salary, (ii) annual cash bonuses, (iii) annual stock bonuses, (iv) stock options or other stock incentives, and (v) equity-based retirement compensation, which is reflected in the Company's Employee Stock Ownership Plan and 401(k) Plan. In formulating its compensation recommendations, the Committee considered information and recommendations provided by management and by Arthur J. Gallagher & Company, a nationally known and recognized firm of management consultants.

Base Salary. The past practice of the Committee has been to establish base salaries of all executives prior to the beginning of the fiscal year based on the various factors described in the preceding paragraph. In fiscal 2005, the Committee increased base salaries of the named executive officers to the levels indicated in the Summary Compensation Table to keep salary levels reasonably consistent with inflation and salary levels for executives in comparable positions in comparable enterprises. These increases were based in large part on studies conducted by Arthur J. Gallagher & Company.

Annual Cash Bonuses. For fiscal 2005, the Committee determined that each officer would have an opportunity to receive a cash bonus equal to a percentage of base salary ranging from a minimum of 30% at target level performance to 80% at maximum level performance (50% to 100% in the case of the Chief Executive Officer), depending upon position and the extent to which certain Company performance measures were met. The Company's performance measures were not met and no bonuses were paid under this program with respect to fiscal 2005.

The Committee has authorized a \$50,000 bonus pool that may be paid, based upon the recommendation of the Chief Executive Officer, to reward superior performance by any employee of the Company other than the CEO. This bonus pool was utilized in fiscal 2005.

Stock Incentives. The Committee recognizes the need to provide medium term incentives for the retention and motivation of Senior Executives, consistent with the desire to conserve cash. From 1996 through fiscal 2003, the Committee granted stock options to Senior Executives on an annual basis. In fiscal 2004, after consultation with Pearl Meyer & Partners, a compensation consultant, the Committee determined to award performance accelerated restricted shares instead of stock options with a view to,

among other matters, promoting increased financial performance over the long-term, increasing management ownership of stock so as to better motivate performance and matching of management and stockholder interests. Restricted shares were awarded in fiscal 2004 and 2005 based on salary levels of recipients and generally will vest after seven years, subject to accelerated vesting in three years if the Company meets a specified earnings per share performance target set by the Committee. All options and restricted share awards were granted under either the Stock Incentive Plan of 1996 or the Stock Incentive Plan of 2004, both of which were approved by stockholders.

Equity Based Retirement Compensation. The final component of executive compensation consists of equity based retirement compensation through participation in the Company's employee stock ownership plans for salaried and certain hourly employees ("Salaried ESOP") and 401(k) Plan. The amount of the Company's contributions to the Salaried ESOP and the 401(k) Plan is determined by the Board each year based upon the recommendation of the Committee. The Committee bases its recommendation primarily upon Company performance for the year.

Under the Salaried ESOP, amounts contributed by the Company are invested in shares of the Company's Common Stock. Shares purchased are allocated to participant accounts in proportion to the participant's eligible compensation (as defined). Generally, accounts are distributed to participants who have

11

completed at least five years of service upon death, permanent disability or retirement. In fiscal 2005, the Company contributed an amount equal to 4-1/2% of eligible compensation for the Salaried ESOP. This is the same amount as in the prior year.

The Company has maintained a 401(k) Plan for the benefit of employees for several years but prior to fiscal 2001 had not made a contribution to it. During fiscal 2001, the Board determined to reduce the Company's contribution to the Salaried ESOP and to contribute an amount equal to the reduction to the 401(k) Plan. Five years service is required for full vesting in the amount of the Company contribution. In fiscal 2005, the Company contributed an amount equal to 4-1/2% of eligible compensation to the 401(k) Plan.

Compensation of the Chief Executive Officer for Fiscal 2005 All of the components of fiscal 2005 compensation of the Chief Executive Officer were determined in accordance with the criteria described above. Salary, bonus and restricted share awards to Mr. Seaberg for fiscal 2005 are as reported in the Compensation Table.

This report is being made over the names of Daryl R. Schaller, Ph.D. (Chairman), Michael Braude, John E. Byom, Linda E. Miller and John R. Speirs, who are the continuing members of the Committee which passed on Executive Compensation for fiscal 2005.

- (a) For the purposes of the table, a person is deemed to be a beneficial owner of shares if the person has or shares the power to vote or to dispose of them. Except as otherwise indicated in the table or the footnotes below, each person had sole voting and investment power over the shares listed in the beneficial ownership table and all stockholders shown in the table as having beneficial ownership of 5% or more of either of the classes of stock had business addresses at 1300 Main Street, Atchison, Kansas 66002, as of July 1, 2005. Stockholders disclaim beneficial ownership in the shares described in the footnotes as being "held by" or "held for the benefit of" other persons.
- (b) The table includes shares which may be acquired pursuant to stock options granted under the Company's stock option plans that become exercisable on or before September 1, 2005. These consist of options held by one non-employee director (Mr. Cray) to purchase 18,000 shares and one non-employee director (Mr. Schaller) to purchase 16,000 shares, and four non-employee directors (Ms. Miller and Messrs. Braude, Byom and Speirs) to purchase 2,000 shares, options held by Messrs. Bassi, Cahill, Schrick, Seaberg, and Trautschold to purchase 11,000, 68,000, 30,800, 228,044 and 45,000 shares, respectively, and options held by all executive officers and directors as a group to purchase 489,994 shares.
- (c) The Company's Employee Stock Ownership Plans (ESOPs) hold for the benefit of participants 1,342,055 shares of Common Stock, all of which are attributed in the table to each of the five trustees, who are the same for each Plan. The trustees are obligated to vote the shares which are allocated to participants in accordance with instructions given by such participants, all of which were allocated at July 1, 2005. Any unallocated shares are voted by the trustees. The trustees, and the number of shares allocated to their accounts, are as follows: Mr. Seaberg (142,942 shares); Mr. Larson (9,200 shares); Mr. Cahill (28,398 shares); Mr. Rindom (18,274 shares);

and Mr. Schrick (51,529 shares). A total of 215,021 shares are allocated to the accounts of all other officers and directors. The number and percentage of ownership shown after the names of each of the Trustees in the table above do not include any of the 1,342,055 shares or any of the shares allocated to their individual accounts. Accordingly, the aggregate beneficial ownership for each of the Trustees may be deemed to be the individual amounts and percentages shown, plus 1,342,055 shares and 8.2%.

- (d) The Cray Family Trust holds 333 shares of Preferred Stock which are attributed in the table to the trustees, who share the power to vote and dispose of such shares. The trustees are Mr. Cray, Jr., Mr. Seaberg and Mr. Richard B. Cray. Actions by the trustees with respect to the voting or disposition of the shares may be effected by majority vote. Each trustee may appoint his successor, provided the successor must be and all time remain a stockholder and officer of the company. Upon termination of the trust, the shares are to be distributed as directed by the trustors by power of appointment or, if such power is not exercised, to the beneficiaries designated in the trust.
- (e) Includes 259,926 shares of Common Stock held by the Cray Medical Research Foundation with respect to which Mr. Cray, Jr. is a director, 958,624 shares of Common Stock held by other family trusts with respect to which Mr. Cray, Jr. or his spouse is a trustee and 48,000 shares held by the Cloud L. Cray Foundation.
- (f) Includes 333 shares of Preferred Stock held by the Cray Family Trust and 48,000 shares of Common Stock held by a foundation with respect to which Mr. Richard B. Cray is a Trustee.
- (g) Includes 2,178 shares held by Mr. Schrick's wife.
- (h) Includes 220,710 shares held by Mr. Seaberg's wife.
- (i) Includes shares discussed under notes (a) through (h) as well as shares held by members of the families of officers not listed in the table.
