The Board of Directors approved the execution by the Company of indemnification agreements with certain directors and officers of Company who were not previously parties to such an agreement, including Karen Seaberg, a director, and the following officers: Donald Coffey, Scott Phillips, Dave Rindom, Steve Pickman, and Donald Tracy. Each indemnification agreement generally provides, among other matters, (i) for indemnification to the fullest extent permitted by law against all expenses, judgments, fines, penalties incurred in connection with, and amounts paid in settlement of, any claim against the indemnified party, provided it is determined pursuant to the agreement that the indemnitee is entitled to be indemnified under the applicable standard of conduct under the Kansas General Corporation code; (ii) for advancement of expenses to the indemnitee in connection with the indemnitee's defense of any threatened or pending claim, provided that if it is determined pursuant to the agreement that the indemnitee would not be permitted to be indemnified under applicable law, the Company shall be entitled to be reimbursed by the indemnitee for all such amounts previously paid; and (iii) that to the extent the Company maintains directors and officers liability insurance, the indemnitee will be covered to the maximum extent coverage is available for any other director or officer. Similar indemnification agreements may be entered into from time to time with additional officers of the Company.
