Explanatory Note

This post-effective amendment is being filed pursuant to Rule 414 under the Securities Act of 1933, as amended (the "Securities Act"), to reflect the adoption by MGPI Processing, Inc. (formerly MGP Ingredients, Inc.) a Kansas corporation (the "Predecessor Corporation"), of a holding company form of organizational structure. The holding company organizational structure was implemented by the merger (the "Merger"), in accordance with Section 17-6701(g) of the Kansas General Corporation Code, of MGPI Merger Sub, Inc., a Kansas corporation, with and into the Predecessor Corporation, with the Predecessor Corporation being the surviving corporation. In the Merger, which was consummated on January 3, 2012 (the "Effective Time"), each share of the issued and outstanding common stock of the Predecessor Corporation was converted into one share of common stock of MGP Ingredients, Inc. (formerly MGPI Holdings, Inc.), a Kansas corporation (the "Registrant"). In addition, each outstanding option to purchase shares of Predecessor Corporation common stock was automatically converted into an option to purchase, upon the same terms and conditions, an identical number of shares of Registrant's common stock. Pursuant to the Merger, the Predecessor Corporation became a direct, wholly-owned subsidiary of the Registrant.

Upon completion of the Reorganization, Registrant replaced the Predecessor Corporation as the publicly-held corporation and holders of common stock of the Predecessor Corporation now hold the same number of shares and same ownership percentage of Registrant as they held of the Predecessor Corporation immediately prior to the Reorganization. Shares of Registrant's common stock trade on the NASDAQ Global Select Market under the symbol "MGPI".

This Post-Effective Amendment No. 1 to Form S-8 pertains to the adoption by Registrant of Registration No. 162625 and 119860 originally covering 2,680,000 shares of Predecessor Corporation's common stock.

In accordance with Rule 414, the Registrant, as the successor issuer, expressly adopts this Registration Statement as its own for all purposes of the Securities Act and the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 17-6002(b)(8) of the Kansas General Corporation Code provides that a certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the corporation or its stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) under Section 17-6424 of the Kansas General Corporation Code (relating to liability for unauthorized acquisitions or redemptions of, or dividends on, capital stock); or (iv) for any transaction from which the director derived an improper personal benefit. The Company's restated and amended certificate of incorporation contains the provisions permitted by Section 17-6002(b)(8) of the Kansas General Corporation Code. The effect of these provisions is to eliminate the Company's and its stockholders' rights (through stockholders' derivative suits on behalf of the Company) to recover monetary damages against a director for breach of the fiduciary duty of care as a director except in the situations described in clauses (i) through (iv) above. The limitations described above, however, do not affect the ability of the Company or its stockholders to seek non-monetary based remedies, such as an injunction or rescission, against a director for breach of his fiduciary duty nor would such limitations limit liability under the federal securities laws.

Under Section 17-6305 of the Kansas General Corporation Code, a corporation has the power under specified circumstances to indemnify its directors, officers, employees and agents in connection with actions, suits or proceedings brought against them by a third party or in the right of the corporation, by reason of the fact that they were or are such directors, officers, employees or agents, against expenses, judgments and other amounts incurred in any such action, suit or proceeding.

The Bylaws of the Company generally provide that each person who is or was or had agreed to become a director or officer of the Company, or each such person who is or was serving or who had agreed to serve at the request of the Company as a director or officer of another corporation, partnership, joint venture, trust, employee plan or other enterprise (including the heirs, executors, administrators or estate of such person), will be indemnified by the Company, to the fullest extent permitted from time to time by the Kansas General Corporation Code as the same exists or may hereafter be amended (but, if permitted by applicable law, in the case of any such amendment, only to the extent that such amendment permits the Company to provide broader indemnification rights than said law permitted the Company to provide prior to such amendment). The right to indemnification includes the right to be paid by the Company the expenses incurred in defending any such proceeding in advance of its final disposition, provided that the payment of such expenses in advance of the final disposition of a proceeding shall be made only upon delivery to the Company of an undertaking to repay all amounts so advanced if it shall ultimately be determined that such director or officer is not entitled to be indemnified.

Pursuant to the Bylaws, if a claim for indemnification is not paid in full by the Company within 90 days after a written claim pursuant to the preceding paragraph has been received by the Company, the claimant may at any time thereafter bring suit against the Company to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant will be entitled to be paid also the expense of prosecuting such claim. The Bylaws provide that it will be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Company) that the claimant has not met the standard of conduct which makes it permissible under the Kansas General Corporation Code for the Company to indemnify the claimant for the amount claimed, but the burden of proving such defense will be on the Company. Neither the failure of the Company (including the directors, independent legal counsel or stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the Kansas General Corporation Code, nor an actual determination by the Company (including the directors, independent legal counsel or stockholders) that the claimant has not met such applicable standard of conduct, will be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

The Bylaws provide that the right to indemnification and the payment of expenses incurred in defending a proceeding in advance of its final disposition conferred in the Bylaws will not be exclusive of any other right which any person may have or may in the future acquire under any statute, provision of the Articles of Incorporation, the Bylaws, agreement, vote of stockholders or disinterested directors or otherwise. The Bylaws permit the Company to maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Company or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Company would have the power to indemnify such person against such expense, liability or loss under the Kansas General Corporation Code.

The Company also has entered into indemnification agreements with each of its directors and executive officers. Each indemnification agreement generally provides that the Company will indemnify the director or officer who is a party thereto (an "Indemnitee"), within 30 days of written demand, to the fullest extent permitted by law, against expenses (including interest from the date of payment by the Indemnitee until the date the Indemnitee is reimbursed), judgments, fines, penalties and amounts paid in settlement of any threatened, pending or completed action, suit or proceeding, inquiry or investigation (a "Claim") to which the Indemnitee is or is threatened to be a party, witness or other participant by reason of the fact that the Indemnitee is or was serving as a director, officer or in another fiduciary capacity of the Company or other Company related enterprise at the request of the Company, or based upon acts or omissions of the Indemnitee in such capacity or in any other capacity while serving as a director, officer or in another fiduciary capacity for the Company or a Company related enterprise. For this purpose, service as a director, officer or in another fiduciary capacity of a 20% or more Company owned entity or of an employee benefit plan of the Company or such other entity will be deemed serving at the request of the Company for a Company related enterprise.

An Indemnitee will not be entitled to indemnification under the agreement unless ordered by a court or unless the Reviewing Party (as defined below) determines that the Indemnitee met the applicable standard of conduct provided by law and that specified circumstances which would preclude indemnification under the agreement do not exist. The agreement provides for partial indemnification if the Indemnitee is entitled to indemnification for a portion of a Claim.

The agreement also provides generally for the advance of the Indemnitee's expenses within 2 business days after the Indemnitee requests the same and delivers to the Company an undertaking to repay the advance if the Indemnitee settles a proceeding without the Company's consent or if the Reviewing Party determines that the Indemnitee is not entitled to indemnification because he or she did not meet the applicable standard of conduct

If the Company has not paid a claim for indemnification or advance within 90 days of the Indemnitee's request, the Indemnitee may commence litigation to seek an initial determination of entitlement or to challenge a determination by the Reviewing Party. Neither the failure of the Reviewing Party to have made a determination nor an actual determination that the Indemnitee has not met the applicable standard of conduct shall be a defense to the action or create a presumption that the Indemnitee has not met the applicable standard of conduct, and the Company will bear the burden of proof in any such proceeding that the applicable standard of conduct was not met. The Company will indemnify the Indemnitee against expense reasonably incurred in connection with any such claim for indemnity (or any claim for indemnification under any other agreement or bylaw or for recovery under any Company maintained liability insurance policy) that is successfully asserted, in whole or in part.

The Reviewing Party under the agreement is (i) the Board of Directors, acting by a majority vote of disinterested directors who are not parties to the claim, even though less than a quorum, (ii) a committee of disinterested directors designated by a majority vote of disinterested directors, even though less than a quorum or (iii) if there are no disinterested directors, or if the disinterested directors so direct, (a) independent legal counsel or (b) the shareholders. However, following a change in control, as defined (other than one approved by a majority of the persons who were directors prior to the change in control), the Reviewing Party shall be independent counsel, and the Company also is required to seek advice in the matter from special independent counsel selected by the Indemnitee and approved (or deemed approved) by the Company who has not performed services for the Company, the Indemnitee or the acquiring person for five years.

Section 13(e) of the Stock Incentive Plan of 2004 provides members of the Compensation Committee of the Board of Directors (the "Committee") and any officer or employee of the Company or a subsidiary acting at the direction or on behalf of the Committee shall not be personally liable for any action or determination taken or made in good faith with respect to the Plan, and shall, to the extent permitted by law, be fully indemnified, held harmless and protected by the Company with respect to any such action or determination. Accordingly, members of the Committee and officers acting at their direction or on their behalf are entitled to indemnification and reimbursement as directors pursuant to the Company's bylaws or any agreement between the Company and its directors providing for indemnification.

The Company currently has directors and officers' liability insurance that insures directors and officers of the Company with respect to claims made for alleged "wrongful acts" in their roles as directors or officers of the Company and its subsidiaries. The insurance also insures the Company for claims against the Company's directors or officers in situations in which the Company has an obligation to indemnify its directors and officers.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(c) Award Agreements. Each Stock Incentive shall be evidenced by a written Award Agreement in a form prescribed by the Committee that is consistent with this Plan, that shall be delivered to the Participant and that shall specify the terms and conditions of the Stock Incentive and any rules applicable thereto. The Committee may impose on any Stock Incentive or the exercise thereof, at the date of grant or thereafter (subject to Section 15(a)), such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine. The Committee shall retain full power and discretion with respect to any term or condition of a Stock Incentive that is not mandatory under the Plan. The Committee shall require the payment of lawful consideration for a Stock Incentive to the extent necessary to satisfy the requirements of the Kansas General Corporations Act, and may otherwise require payment of consideration for a Stock Incentive except as limited by the Plan. Award Agreements may be executed on behalf of the Company and the Plan by any Executive Officer of the Company or such other officer of the Company as the Committee shall designate.

(d) Amendments of Award Agreements. Subject to the terms of the Plan, the Committee may from time to time authorize the amendment of outstanding Award Agreements so long as such amendments are consistent with the Plan; provided, that any such amendment that would adversely affect the rights of any Participant or any holder or beneficiary of any Stock Incentive theretofore granted shall not to that extent be effective without the consent of the affected Participant, holder or beneficiary. The Committee may not reprice (as defined in Section 15(a)) any Stock Option which has been awarded to a Participant without stockholder approval.

(e) Timing of Payment under Stock Incentives: Deferrals. Subject to the terms of the Plan and any applicable Award Agreement, payments to be made by the Company or Subsidiary upon the exercise of an Option or other Stock Incentive or settlement of a Stock Incentive may be made in a single payment or transfer, in installments, or on a deferred basis. Installment or deferred payments may be required by the Committee (subject to Section 15(a)) or permitted at the election of the Participant on terms and conditions established by the Committee.

4. STOCK SUBJECT TO THE PLAN.

(a) Number of Shares Available. Subject to the provisions of clause (b) of this Section 4 and Section 10, the number of shares of Common Stock that may be issued under the Plan for Stock Incentives during the term of the Plan is nine hundred eighty thousand (980,000).

(b) Share Counting Rules. If any shares of Common Stock subject to a Stock Incentive shall not be issued or transferred or shall cease to be issuable or transferable under such Stock Incentive, or if, after issuance or transfer, any such shares shall be reacquired by the Company or Subsidiary because of a Participant's failure to comply with or meet the terms and conditions of a Stock Incentive, such shares may again be made subject to Stock Incentives; and only the net additional shares issued upon the exercise or vesting of a Stock Incentive through the delivery or withholding of shares of Common Stock in payment of the exercise price or withholding taxes shall be counted against the number of shares which are authorized for issuance under this paragraph. The limitation provided for in this paragraph shall also be increased by the number of shares subject to any substitute Stock Incentives granted under Section 14(k). Notwithstanding the foregoing, shares shall be deemed to have been issued pursuant to a Stock Option or Stock Award and shall be charged against the limitation provided for in this paragraph, whether actually delivered, to the extent of the number of shares covered by that portion of the related Stock Option or Stock Award granted under the Plan which is settled by the exercise of a Stock Appreciation Right or by a cash payment under a Stock Award. The foregoing notwithstanding, shares shall not become available under this Section 4(b) in an event that would constitute a "material amendment" of the Plan subject to stockholder approval under then applicable NASDAQ Marketplace Rules. Because shares will count against the number reserved in Section 4(a) upon delivery, and subject to the share counting rules under this Section 4(b), the Committee may determine that Stock Incentives may be outstanding that relate to a greater number of shares than the aggregate remaining available under the Plan, so long as Stock Incentives will not result in delivery and vesting of shares in excess of the number then available under the Plan.

(c) Use of Treasury and Other Shares. Subject to the requirements of applicable Kansas law, authorized but unissued shares of Common Stock and shares of Common Stock held in the treasury, whether acquired by the Company specifically for use under the Plan or otherwise, may be used, as the Board of Directors may from time to time determine, for purposes of the Plan; provided, however, that any shares acquired or held by the Company for the purposes of the Plan shall, unless and until transferred to a Participant in accordance with the terms and conditions of a Stock Incentive, be and at all times remain treasury shares of the Company, available for any corporate purpose, irrespective of whether such shares are entered in a special account for purposes of the Plan.

(d) Certain Limitations on Grants. Notwithstanding any provision herein to the contrary, and subject to adjustment as provided in Section 10, to the extent necessary for an award to be qualified performance based compensation under Section 162(m) of the Code, the maximum aggregate number of shares of Common Stock issuable under any Stock Incentives awarded to any individual with respect to any fiscal year of the Company shall be 100,000 shares or equivalents thereof. In addition, subject to other provisions of the Plan permitting the expiration of restrictions under certain circumstances, unless otherwise determined by the Committee the Stock Awards or Performance Awards granted under Section 5 or 8 will be subject to a vesting period of one year from the date of grant in the case of such Stock Incentives that are performance based and three years from the date of grant in the case of such Stock Incentives under Section 5 that are not performance based; provided, however, that such Stock Incentives may vest, in whole or in part, on an accelerated basis in the event of a Participant's death, Disability, Retirement, or in the event of a Change in Control or other special circumstances, including involuntary termination without cause, in the sole discretion of the Committee. In its discretion, the Committee may provide for vesting periods of longer or shorter duration than the one or three year periods referred to above. For purposes of this Section 4(d), (i) a period that precedes the grant of the Stock Incentive will be treated as part of the vesting or performance period if the participant has been notified a reasonable time after the commencement of the period that he or she has the opportunity to earn the Stock Incentive based on performance and/or continued service, and (ii) vesting over a vesting period may include periodic vesting over such period if the rate of such vesting is proportional (or less rapid) throughout such period.

5. STOCK AWARDS.

Stock Incentives in the form of Stock Awards shall be subject to the following provisions:

(a) General. A Stock Award shall be granted only (i) in payment of Incentive Compensation that has been earned, (ii) as Incentive Compensation to be earned, or (iii) a combination of (i) and (ii).

(b) Valuation. For the purposes of the Plan, in determining the value of a Stock Award, all shares of Common Stock subject to such Stock Award shall be valued at not less than 100% of the Fair Market Value of such shares on the date such Stock Award is granted, regardless of whether or when such shares are issued or transferred to the Participant and whether or not such shares are subject to restrictions which affect their value.

(c) Grant. Shares of Common Stock subject to a Stock Award may be issued or transferred to a Participant at the time the Stock Award is granted, or at any time subsequent thereto, or in installments from time to time, as the Committee shall determine. With respect to a Stock Award providing for issuance or transfer of shares subsequent to the time it is granted, the Committee may provide for payment to the grantee of amounts equal to the cash dividends which would have been payable in respect of such shares (as adjusted under Section 10 of the Plan) if they had been issued or transferred at the time the Stock Award was granted. Such payments may be made in cash, shares of Common Stock or a combination of cash and shares. Such payments may be made at the time the shares are issued or transferred, or at the time or times the cash dividends would have been payable if the shares had been issued or transferred at the time the Stock Award was granted. A Stock Award may provide that if such payments are made at the time shares are issued or transferred, there also will be paid interest on any deferred dividend amounts, with respect to the number of shares of Common Stock subject to such award, if any. Any amount payable in shares of Common Stock under the terms of the Stock Award may be paid in cash on each date on which delivery of shares would otherwise have been made, in an amount equal to the Fair Market Value on such date of the shares which would otherwise have been delivered.

(d) Terms Relating to Transfer, Payment or Forfeiture. A Stock Award may contain such other terms and conditions as the Committee may determine with respect to transfer, payment or forfeiture of all or any part of the Stock Award.

(e) Other Terms. A Stock Award may be subject to such other terms and conditions, including, without limitation, restrictions on sale or other disposition of the shares issued or transferred pursuant to the Stock Award, as the Committee may determine; provided, however, that upon the issuance or transfer of shares pursuant to a Stock Award, the recipient shall, with respect to such shares, be and become a stockholder of the Company fully entitled to receive dividends, to vote and to exercise all other rights of a stockholder except to the extent otherwise provided in the Stock Award.

6. STOCK OPTIONS.

Stock Incentives granted under the Plan in the form of Stock Options shall be Non-Qualified Stock Options and shall be subject to the following provisions:

(a) Grant. Subject to the provisions of the Plan, including those contained in this Section 6, the Committee shall have the sole and complete authority to determine the Eligible Persons to whom Options shall be granted, the number of shares of Common Stock to be covered by each Option, the option price therefor and the conditions and limitations applicable to the exercise of the Option.

(b) Date of Grant. The "Date of Grant" of an Option shall be the date the action of the Committee providing for the grant of the Option is taken, or such later date as the Committee may provide. An amendment to the terms of an existing Option shall not constitute the grant of a new Option except to the extent that the amendment increases the number of shares subject to the Option other than as the result of an amendment effected pursuant to the adjustment provisions of the Plan.

(c) Price. The price at which shares of Common Stock may be purchased under an Option (the "Option Price") shall be specified in the Option and shall be not less than 100% of the Fair Market Value of such stock on the Date of Grant of the Option.

(d) Term. An Option shall be exercisable only during a term (the "Term of the Option" or "Term") commencing not sooner than six months and one day after the Date of Grant of the Option and ending (unless the Option shall have terminated earlier under other provisions of the Plan) on a date fixed by the Committee and stated in the Option, which date shall not be later than the tenth anniversary of the Date of Grant. If an Option is granted for an original Term of less than ten years, the Committee may, at any time prior to the expiration of the Option, extend its Term for a period ending not later than the tenth anniversary of the Date of Grant of the Option.

(e) Installments. An Option may provide that it shall be exercisable in full or in part at any time during the Term of the Option, or that it shall be exercisable in a specified series of installments. Unless otherwise provided in the Option, installments or portions thereof not exercised in earlier periods shall be cumulative and shall be available for exercise in later periods. The Committee may, by so providing in an Option, require any partial exercise thereof to be with respect to a specified minimum number of shares.

(f) Exercise. To the extent that the right to purchase shares has accrued under an Option, the Option may be exercised from time to time by the optionee or by a person or persons entitled to exercise the Option, by delivery to the Company of a written notice, in the manner and in such form as may be prescribed by the Committee, stating the number of shares with respect to which the Option is being exercised, and by making provision satisfactory to the Company for the payment in full of the Option price of the shares prior to or in connection with the delivery of certificates evidencing the shares. In this regard, no certificate representing Common Stock shall be delivered until (x) the full purchase price therefor has been paid (or arrangement made for such payment to the Company's satisfaction), either in (A) cash (which includes certified bank or cashier's checks or money orders), (B) Mature Stock having an aggregate Fair Market Value, determined as of the date of exercise, equal to the aggregate purchase price payable by reason of such exercise, or (C) by a combination of (A) and (B); and (y) full payment of any withholding taxes thereon required by the Company to be paid (or arrangements made for such payment to the Company's satisfaction). Upon receipt of such notice and payment, the Company shall deliver to or upon the order of the optionee, or such other person entitled to exercise the Option, at the corporate headquarters of the Company, or at such place as shall be mutually acceptable, a certificate or certificates evidencing such shares. An Option may not be exercised for fractional shares of Common Stock. The Committee may, in its discretion and at the request of the optionee, upon receipt in cash (as described above) of the exercise price and upon the provision of the amount of any taxes required to be withheld, issue shares directly to a brokerage firm selected by the optionee to whom the optionee has submitted an irrevocable notice of exercise in accordance with Regulation T of the Board of Directors of the Federal Reserve Board.

(g) No Stockholder Rights Prior to Exercise. No person shall have any rights of a stockholder by virtue of an Option except with respect to shares actually issued to him, and issuance of shares shall not confer retroactive rights to dividends.

7. STOCK APPRECIATION RIGHTS.

(a) Grant. Stock Appreciation Rights may be granted in connection with any Option granted under the Plan, either at the time of the grant of such Option or at any time thereafter during the term of the Option. A grant of Stock Appreciation Rights shall either be included in the instrument evidencing the Option to which they relate or evidenced by a separate instrument meeting the requirements of Section 3 of the Plan.

(b) Settlement. A person entitled to exercise an Option in connection with which Stock Appreciation Rights shall have been granted shall be entitled, at such time or times and subject to such terms and conditions as may be stated in the granting instrument, to settle all or part of the Option by requesting the Company to pay, in cancellation of the part of the Option to be settled, consideration in an amount equal to the number of shares of Common Stock subject to the canceled part of the Option times the amount by which the fair market value of one share on the exercise date exceeds the Option Price (the "Appreciation"). The election shall be made in a written instrument, in form satisfactory to the Committee, delivered in the manner prescribed in Section 6 for the exercise of options.

(c) Form of Consideration. The form of the consideration to be paid for the Appreciation shall either be cash, shares of Common Stock having an aggregate market value on the exercise date equal to the Appreciation, or a combination of cash and shares. Such form of consideration shall be specified either by the Committee or, subject to the approval of the Committee, by the person exercising the Stock Appreciation Right, provided that such form of consideration shall in no event include fractional shares of Common Stock.

(d) Other Terms. An Option in connection with which Stock Appreciation Rights are granted may prescribe or limit the period or periods of time during which the Stock Appreciation Rights may be exercised as provided in paragraph (b) of this Section 7, and may prescribe such additional terms and conditions applicable to the exercise of the Stock Appreciation Rights as may be determined by the Committee and as are consistent with the Plan. In no event may Stock Appreciation Rights be exercised at a time when the Option in connection with which they were granted is not exercisable.

8. PERFORMANCE AWARDS.

(a) Performance Awards Generally. The Committee is authorized to grant Performance Awards on the terms and conditions specified in this Section 8. Performance Awards may be denominated as a Stock Award or other Stock Incentive (or a combination) which may be earned or vest upon achievement or satisfaction of performance conditions specified by the Committee. The Committee may use such business criteria and other measures of performance as it may deem appropriate in establishing any performance conditions.

(b) Performance Awards Granted to Covered Employees. If the Committee determines that a Performance Award to be granted to an Eligible Person who is designated by the Committee as likely to be a Covered Employee should qualify as "performance-based compensation" for purposes of Code Section 162(m), the Committee shall designate the Performance Award as an "Award to Covered Employee" and the grant, exercise, vesting and/or settlement of such Performance Award shall be contingent upon achievement of a pre-established performance goal and other terms set forth in this Section 8(b).

(i) Performance Goal Generally. The performance goal for such Performance Awards shall consist of one or more business criteria and a targeted level or levels of performance with respect to each of such criteria, as specified by the Committee consistent with this Section 8(b). The performance goal shall be objective and shall otherwise meet the requirements of Code Section 162(m) and regulations thereunder (including Regulation 1.162-27 and successor regulations thereto), including the requirement that the level or levels of performance targeted by the Committee result in the achievement of performance goals being “substantially uncertain.” The Committee may determine that such Performance Awards shall be granted, exercised, vest and/or settled upon achievement of any one performance goal or that two or more of the performance goals must be achieved as a condition to grant, exercise, vesting and/or settlement of such Performance Awards. Performance goals may differ for Performance Awards granted to any one Participant or to different Participants.

(ii) Business Criteria. One or more of the following business criteria for the Company, on a consolidated basis, and/or for specified Subsidiaries or other business units of the Company, shall be used by the Committee in establishing performance goals for such Performance Awards: (1) net sales; (2) income from operations; (3) income before taxes; (4) income before interest, taxes, depreciation, amortization, incentives, service fees and/or extraordinary or special items; (5) net income or net income per common share (basic or diluted); (6) return on assets, return on investment, return on capital, or return on equity; (7) cash flow from operations, free cash flow (cash flow from operations less capital expenditures) or cash flow return on invested capital; (8) stock price or total stockholder return; and (9) strategic business criteria, consisting of one or more objectives based on meeting specified market penetration, geographic business expansion goals, cost targets, customer satisfaction, employee satisfaction, management of employment practices and employee benefits, and goals relating to acquisitions or divestitures of subsidiaries, affiliates or joint ventures. The targeted level or levels of performance with respect to such business criteria may be established at such levels and in such terms as the Committee may determine, in its discretion, including in absolute terms, as a goal relative to performance in prior periods, or as a goal compared to the performance of one or more comparable companies or an index covering multiple companies.

(iii) Performance Period; Timing for Establishing Performance Goals. Achievement of performance goals in respect of such Performance Awards shall be measured over a performance period specified by the Committee. A performance goal shall be established not later than the earlier of (A) 90 days after the beginning of any performance period applicable to such Performance Award or (B) the time 25% of such performance period has elapsed.

(d) Settlement of Performance Awards; Other Terms. Settlement of Performance Awards shall be in Stock Awards or other Stock Incentives, in the discretion of the Committee. The Committee may, in its discretion, increase or reduce the amount of a settlement otherwise to be made in connection with such Performance Awards, but may not exercise discretion to increase any such amount payable to a Covered Employee in respect of an Award to Covered Employee subject to Section 8(b).

(e) Written Determinations. Determinations by the Committee as to the establishment of performance goals, the amount potentially payable in respect of Performance Awards, the level of actual achievement of the specified performance goals relating to Performance Awards, and the amount of any final Performance Award shall be recorded in writing in the case of any Award to Covered Employee intended to qualify under Section 162(m). Specifically, the Committee shall certify in writing, in a manner conforming to applicable regulations under Section 162(m), prior to settlement of each such Performance Award granted to a Covered Employee, that the performance objective relating to the Performance Award and other material terms of such Award upon which settlement of the Award was conditioned have been satisfied.

9. TERMINATION OR SUSPENSION OF EMPLOYMENT.

The following provisions shall apply in the event of the Participant's termination of employment unless the Committee shall have provided otherwise, either at the time of the grant of the Stock Incentive or thereafter:

(a) Stock Options and Stock Appreciation Rights.

(i) Termination of Employment Other than Due to Death, Disability, Cause or Retirement If the Participant's employment with the Company or its Subsidiaries is terminated for any reason other than death, Disability, cause due to misconduct or Retirement, the Participant's right to exercise any Stock Option and related Stock Appreciation Right will terminate one year after the cessation of employment, unless the Option or Right terminates earlier by its terms or under other provisions of the Plan. Until the Option or Right terminates, it may be exercised by the optionee, his estate or legal representatives for all or a portion of the shares as to which the right of purchase had accrued under the Plan at the time of cessation of employment, subject to all applicable conditions and restrictions provided in the Plan and the Option. In no event shall an Option or Right be exercisable later than the date of expiration of the term of the Option or Right, and in no event shall an Option or Right be exercisable for any shares as to which the right of purchase had not accrued at the time of cessation of employment. Employment for the purposes of this paragraph shall mean continuous full-time salaried employment. Vacations, sick leaves and any approved absence on leave shall not constitute a termination of employment or an interruption of continuous full-time salaried employment.

(ii) Disability or Retirement. If the Participant's employment with the Company or its Subsidiaries is terminated by Disability or Retirement, any Stock Option or Stock Appreciation Right held by such Participant shall terminate on the earlier of (i) the third anniversary of such termination of employment, or (ii) the date the Option or Right would have otherwise expired by its terms had it not been for such termination of employment. Until the Option terminates, it may be exercised by the optionee, his estate or legal representatives, for all or a portion of the shares as to which the right of purchase had accrued as of the date of such exercise, subject to all applicable conditions and restrictions provided in the Plan and the Option or Right. In no event shall such Option or Right be exercisable later than the date of expiration of the term of the Option or Right, and in no event shall such Option or Right be exercisable for any shares as to which the right of purchase had not accrued at the time of exercise.

(iii) Death. If the Participant's employment with the Company or its Subsidiaries is terminated by death, and if any Stock Option or Stock Appreciation Right was in effect at the time of his death (whether or not its terms had then commenced), the Option or Right may, until the expiration of one year from the date of death of the Participant or until the earlier expiration of the term of the Option or Right, be exercised as and to the extent it could have been exercised by the Participant had he been living at the time of exercise, by the legal representatives of the Participant or by any person, persons or entity to whom his rights under the Option or Right shall have been transferred pursuant to the provisions of paragraph (h) of Section 14 of the Plan. Such exercise shall not be limited to the shares as to which the right of purchase had accrued at the date of death of the Participant, but shall be subject to all applicable conditions and restrictions prescribed in the Plan and the Option or Right, including any installment provision.

(iv) Acceleration and Extension of Exercisability. The Committee may, in its discretion, provide (A) that a Stock Option or Stock Appreciation Right granted to a Participant may terminate at a date earlier than that set forth above; (B) that a Stock Option or Stock Appreciation Right granted to a participant not subject to Section 16 of the Exchange Act may terminate at a date later than that set forth above, provided such date shall not be beyond the date the option or right would have expired had it not been for the termination of the Participant's employment.

(b) Stock Awards and Performance Awards that are not designated as an Award to Covered Employee Unless otherwise determined by the Committee, if the employment of the Participant with the Company or a Subsidiary terminates by reason of Disability, death, Retirement or, in the sole discretion of the Committee, involuntary termination of employment without cause, any restrictions and provisions for forfeiture on such Participant's outstanding Stock Awards shall automatically expire, any performance goals with respect to Performance Awards will be deemed to have been satisfied at the target level on the date the Committee determines that the performance goal has been met and the Participant will be entitled to a prorated award. Such prorated award will be equal to the number of Stock Awards or other Stock Incentives that would have been awarded (in the case of Performance Awards, at the target level) multiplied by a fraction, the numerator of which shall equal the number of months such Participant was employed by the Company during the vesting or performance period, as applicable (fractional months shall be counted as full months) and the denominator of which shall equal the number of months in the vesting or performance period, as applicable. Unless the Committee determines otherwise, if the employment of the Participant with the Company or a Subsidiary terminates for any other reason, the portion of such award which is subject to performance goals or other vesting requirement on the effective date of such Participant's termination of employment shall be immediately forfeited and canceled by the Company.

(c) Performance Awards that are an Award to Covered Employee Unless otherwise determined by the Committee, if the employment of the Participant with the Company or a Subsidiary terminates by reason of Disability or death, any performance goals with respect to Performance Awards will be deemed to have been satisfied at the target level on the date the Committee determines that the performance goal has been met and the Participant will be entitled to a prorated award. Such prorated award will be equal to the number of Stock Awards or other Stock Incentives that would have been awarded at the target level multiplied by a fraction, the numerator of which shall equal the number of months such Participant was employed by the Company during the performance period (fractional months shall be counted as full months), and the denominator of which shall equal the number of months in the performance period. Unless the Committee determines otherwise, if the employment of the Participant with the Company or a Subsidiary terminates for any other reason, the portion of such award which is subject to performance goals on the effective date of such Participant's termination of employment shall be immediately forfeited and canceled by the Company.

(d) Termination for Cause. Notwithstanding the other provisions hereof, a Stock Incentive granted to a Participant shall expire and the Participant shall thereupon forfeit all rights thereunder if the Participant is terminated for cause due to the misconduct of the Participant. The Committee shall, in its sole discretion, determine whether a termination was for cause due to misconduct.

10. ADJUSTMENT PROVISIONS

(a) Adjustments to Shares and Price. In the event that any large, special and non-recurring dividend or other distribution (whether in the form of cash or property other than Common Stock), recapitalization, stock split or reverse stock split, stock dividend, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange, liquidation, dissolution or other similar corporate transaction or event affects the Common Stock such that an adjustment is determined by the Committee to be appropriate under the Plan, then the Committee may, in such manner as it may deem equitable, adjust any or all of (i) the number and kind of shares of stock which may be delivered in connection with Stock Incentives granted thereafter; (ii) the number and kind of shares of stock by which annual per-person Stock Incentive limitations are measured under Section 4(d); (iii) the number and kind of shares of stock subject to or deliverable in respect of outstanding Stock Incentives; and (iv) the exercise price, grant price, purchase price or other terms (including performance goals) relating to any Stock Incentive or, if deemed appropriate, the Committee may make provision for a payment of cash or property to the holder of an outstanding Option (subject to Section 14(n)). The Committee may also determine that new Stock Incentives be substituted for any unexpired corresponding Stock Incentives then outstanding, such adjustments to be made in the case of outstanding Stock Options without an increase in the aggregate purchase price. The decision of the Committee regarding any such adjustment or substitution shall be final, binding and conclusive. If any such adjustment would result in a fractional security being (i) available under this Plan, such fractional security shall be disregarded, or (ii) subject to an award under this Plan, the Company shall pay the holder of such award, in connection with the first vesting, exercise or settlement of such award in whole or in part occurring after such adjustment, an amount in cash determined by multiplying (x) the fraction of such security (rounded to the nearest hundredth) by (y) the excess, if any, of (A) the Fair Market Value on the vesting, exercise or settlement date over (B) the exercise or base price, if any, of such award. The Company shall be obligated to, and therefore the Committee shall, provide for such equitable adjustments of outstanding Stock Incentives in order to preserve the positive intrinsic value of such Stock Incentives, unless in the circumstances the Participant would be able to realize such intrinsic value in the absence of an adjustment.

(b) Other Adjustments. In addition, the Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, Stock Incentives (including Performance Awards and performance goals and any hypothetical funding pool relating thereto) in recognition of unusual or nonrecurring items or events (including, without limitation, events described in the preceding sentence, as well as acquisitions and dispositions of businesses and assets) affecting the Company or any subsidiary or other business unit, or the financial statements of the Company or any subsidiary, or in response to changes in applicable laws, regulations, accounting principles, tax rates and regulations or business conditions, or in view of the Committee's assessment of the business strategy of the Company, any subsidiary or business unit thereof, performance of comparable organizations, economic and business conditions, personal performance of a Participant and any other circumstances deemed relevant; provided that no such adjustment shall be authorized or made if and to the extent that the existence of such authority (i) would cause Options, Stock Appreciation Rights, or Performance Awards granted under Section 8 to Participants designated by the Committee as Covered Employees and intended to qualify as "performance-based compensation" under Code Section 162(m) and regulations thereunder to otherwise fail to qualify as "performance-based compensation" under Code Section 162(m) and regulations thereunder; or (ii) would cause the Committee to be deemed to have authority to change the targets, within the meaning of Treasury Regulation 1.162-27(c)(4)(vi), under the performance goals relating to Options, Stock Appreciation Rights or Performance Awards granted to Covered Employees and intended to qualify as "performance-based compensation" under Code Section 162(m) and regulations thereunder.

The Committee may also unilaterally amend outstanding Stock Incentives to remove restrictions or otherwise change the terms of outstanding Stock Incentives to permit such incentives to be substituted for comparable incentives to be provided by any entity which assumes the obligations with respect to such outstanding Stock Incentives upon terms and conditions approved by the Board of Directors or Stockholders.

(c) Committee Action Binding on all Persons. The action of the Committee in approving any adjustment or change contemplated by this Section 10 shall be conclusively deemed to be equitable, appropriate, fair and/or comparable and shall be binding on all persons holding rights under the Plan.

11. CHANGE IN CONTROL; SALE OF SUBSIDIARY.

(a) Change in Control. Unless the Committee shall otherwise provide in the Award Agreement relating to a Stock Incentive granted under the Plan, upon the occurrence of a Change in Control:

(i) Vesting of Stock Incentive. Any Stock Incentive carrying a right to exercise that was not previously exercisable and vested shall become fully exercisable and vested as of the time of the Change in Control; and

(ii) Committee Power to Permit Cash Election. The Committee may, in its discretion, determine to extend to any Participant who holds an Option the right to elect, during the 60-day period immediately following the Change in Control, in lieu of acquiring the shares of Common Stock covered by such Option, to receive in cash the excess of the Change in Control Price over the exercise price of such Option, multiplied by the number of shares of Stock covered by such Option, and to extend to any Participant who holds other types of Stock Incentives denominated in shares the right to elect, during the 60-day period immediately following the Change in Control, in lieu of receiving the shares of Stock covered by such Stock Incentive, to receive in cash the Change in Control Price multiplied by the number of shares of Stock covered by such Stock Incentive. In addition, the Committee may provide that Options and Stock Appreciation Rights shall be subject to a mandatory cash-out in lieu of accelerated vesting.

(iii) Stock Awards. Any restrictions and provisions for forfeiture on all outstanding Stock Awards shall automatically expire and immediately lapse and all such awards shall be immediately and fully vested.

(iv) Performance Awards. Each Grantee of a Performance Award for a performance period that has not been completed at the time of the Change in Control shall be deemed to have earned a Performance Award as of the time of such Change in Control equal to such Participant's target award opportunity for such Performance Award.

(b) Definition of "Change in Control Price" The "Change in Control Price" means an amount in cash equal to the higher of (i) the amount of cash and fair market value of property that is the highest price per share of Common Stock paid (including extraordinary dividends) in any transaction triggering the Change in Control or any liquidation of shares following a sale of substantially all assets of the Company, or (ii) the highest Fair Market Value per share at any time during the 60-day period preceding and 60-day period following the Change in Control.

(c) Sale of Subsidiary. Unless the Committee shall otherwise provide in the Award Agreement relating to a Stock Incentive granted under the Plan, in the event that the Company sells or otherwise disposes of substantially all the assets of, or a majority interest in, a Subsidiary, then any and all Options and Stock Appreciation Rights granted under the Plan to employees of the affected Subsidiary shall be immediately exercisable in full, any restrictions and provisions for forfeiture on all outstanding Stock Awards held by employees of the affected Subsidiary shall automatically expire and immediately lapse and all such awards shall be immediately and fully vested, and each employee of the affected subsidiary who holds a Performance Award for a performance period that has not been completed at the time of the sale or other disposition shall be deemed to have earned a Performance Award as of the time of such sale or disposition equal to such Participant's target award opportunity for such Performance Award.

(d) Other Powers. The Committee in its discretion and at any time may take such additional action as it deems appropriate to address the effect of a Change in Control or the sale or disposition of a Subsidiary on awards issued under this Plan. Without limitation, the Committee may determine that any Stock Options or Stock Appreciation Rights not exercised prior to a Change in Control or the sale or other disposition of a Subsidiary, or within such period of time thereafter (not to exceed 120 days) as the Committee shall determine, shall terminate.

12. TERM.

(a) Effective Date. The Plan shall become effective when approved by the holders of a majority of the shares of the Company's Common Stock and by the holders of a majority of the shares of the Company's Preferred Stock, present or represented and entitled to vote at a meeting duly held in accordance with applicable law.

(b) Expiration Date. No Stock Incentive shall be granted under the Plan after October 14, 2014. Unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Stock Incentive granted hereunder may, and the authority of the Board or the Committee to amend, alter, adjust, suspend, discontinue, or terminate any such Stock Incentive or to waive any conditions or rights under any such Stock Incentive shall, continue after the authority for grant of new Stock Incentive hereunder has been exhausted.

13. ADMINISTRATION.

(a) Committee. The Plan shall be administered by the Committee which shall consist of not less than three directors of the Company designated by the Board of Directors; provided, however, that no director shall be designated as a member of the Committee unless such director shall at the time of designation be a Qualified Member. At anytime that a member of the Committee is not a Qualified Member, any action of the Committee relating to a Stock Incentive intended by the Committee to qualify as "performance-based compensation" within the meaning of Code Section 162(m) and regulations thereunder or intended to be covered by an exemption under Rule 16b-3 under the Exchange Act may be taken by a subcommittee, designated by the Committee or the Board, composed solely of two or more Qualified Members or may be taken by the Committee but with each such member who is not a Qualified Member abstaining or recusing himself or herself from such action, provided that, upon such abstention or recusal, the Committee remains composed of two or more Qualified Members. Such action, authorized by such a subcommittee or by the Committee upon the abstention or recusal of such non-Qualified Member(s), shall be the action of the Committee for purposes of the Plan. The express grant of any specific power to the Committee, and the taking of any action by the Committee, shall not be construed as limiting any power or authority of the Committee.

(b) Delegation by the Board. The Board of Directors, by adoption of the Plan, delegates to the Committee all of its authority under the Plan, including the authority to award Stock Incentives, but excluding the authority to amend or discontinue the Plan.

(c) Authority of the Committee.

(i) Subject to the terms of the Plan and applicable law, and in addition to other express powers and authorizations conferred on the Committee by the Plan, the Committee shall have full power and authority to: (A) designate Participants; (B) determine the type or types of Stock Incentive to be granted to an eligible employee; (C) determine the number of shares of Common Stock to be covered by, or with respect to which payments, rights, or other matters are to be calculated in connection with, Stock Incentives; (D) determine the terms and conditions of any Stock Incentive; (E) determine whether, to what extent, and under what circumstances Stock Incentives may be settled or exercised in cash, shares of Common Stock, other securities, other Stock Incentives or other property, or canceled, forfeited, or suspended; (F) determine whether, to what extent, and under what circumstances cash, shares of Common Stock, other securities, other Stock Incentives, other property, and other amounts payable with respect to a Stock Incentive shall be deferred either automatically or at the election of the holder thereof or of the Committee; (G) interpret and administer the Plan and any instrument or agreement relating to, or Stock Incentive granted under, the Plan; (H) establish, amend, suspend, or waive such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan; and (I) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan.

(ii) Unless prohibited by the Plan, the Committee may, in its sole discretion and for any reason at any time, take action such that (i) any or all outstanding Stock Options or Stock Appreciation Right shall become exercisable in part or in full, (ii) all or a portion of the vesting period applicable to any outstanding Stock Award shall lapse, (iii) all or a portion of the performance period applicable to any outstanding Performance Award shall lapse, and (iv) the performance goals applicable to any outstanding award (if any) shall be deemed to be satisfied at the maximum or any other level. Notwithstanding the foregoing, except as to Committee action in the event of the Participant's death or Disability or a Change in Control or as provided in Section 10, no award designated as an Award to a Covered Employee may be amended, nor may the Committee exercise any discretionary authority it may otherwise have under this Plan with respect to an award designated as an Award to a Covered Employee under this Plan, in any manner to waive the achievement of the applicable performance goal, or to increase the amount payable pursuant thereto or the value thereof, or otherwise in a manner that would cause an award designated as an Award to a Covered Employee to cease to qualify for the exemption from the limitation on deductibility under Section 162(m) of the Code. Notwithstanding that performance goals may be achieved, the Committee may determine, in its discretion, whether and the extent to which an award designated as an Award to a Covered Employee, as defined under Code Section 162(m), will be paid.

(d) Committee Discretion Binding. Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations, and other decisions under or with respect to the Plan or any Stock Incentive shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive, and binding upon all persons, including the Company, any Subsidiary, any Participant, any holder or beneficiary of any Stock Incentive, any stockholder and any employee. The Committee's determination under the Plan including, without limitation, determination of the persons to receive awards, the form, amount and type of awards, the terms and provisions of awards and the written material evidencing such awards, any amendments to the terms and provisions of any awards, and the granting or rejecting of applications for delivery of shares of Common Stock need not be uniform and may be made selectively among otherwise eligible persons whether or not such persons are similarly situated.

(e) Limitation of Liability. The Committee and each member thereof, and any person acting pursuant to authority delegated by the Committee, shall be entitled, in good faith, to rely or act upon any report or other information furnished by any executive officer, other officer or employee of the Company or a subsidiary or affiliate, the Company's independent auditors, consultants or any other agents assisting in the administration of the Plan. Members of the Committee, any person acting pursuant to authority delegated by the Committee, and any officer or employee of the Company or a subsidiary or affiliate acting at the direction or on behalf of the Committee or a delegee shall not be personally liable for any action or determination taken or made in good faith with respect to the Plan, and shall, to the extent permitted by law, be fully indemnified, held harmless and protected by the Company with respect to any such action or determination.

(f) Delegation. Subject to the terms of the Plan and applicable law, the Committee may delegate to one or more officers or managers of the Company or any Subsidiary, or to a committee of such officers or managers, the authority, subject to such terms and limitations as the Committee shall determine, to grant Stock Incentives to, or to cancel, modify or waive rights with respect to, or to alter, discontinue, suspend, or terminate Stock Incentives held by, Participants who are not officers or directors of the Company for purposes of Section 16 of the Exchange Act, or any successor section thereto, or who are otherwise not subject to such Section.

14. GENERAL PROVISIONS.

(a) No Rights to Participation or Employment. No person shall have any right to participation in this Plan. Nothing in the Plan or in any instrument executed pursuant thereto shall confer upon any Participant any right to continue in the employ of the Company or a Subsidiary or shall affect the right of the Company or of a Subsidiary to terminate the employment of any Participant with or without cause.

(b) Restrictions on Shares. Each Stock Incentive made hereunder shall be subject to the requirement that if at any time the Company determines that the listing, registration or qualification of the shares of Common Stock subject to such Stock Incentive upon any securities exchange or under any law, or the consent or approval of any governmental body, or the taking of any other action is necessary or desirable as a condition of, or in connection with, the vesting, exercise or settlement of such Stock Incentive or the delivery of shares thereunder, such Stock Incentive shall not vest, be exercised or settled and such shares shall not be issued or delivered unless such listing, registration, qualification, consent, approval or other action shall have been effected or obtained, free of any conditions not acceptable to the Company. In addition, the Committee may condition the grant of a Stock Incentive on compliance with certain listing, registration or other qualifications applicable to the Stock Incentive under any law or any obligation to obtain the consent or approval of a governmental body. The Company may require that certificates evidencing shares of Common Stock delivered pursuant to any Stock Incentive made hereunder bear a legend indicating that the sale, transfer or other disposition thereof by the holder is prohibited except in compliance with the Securities Act of 1933, as amended, and the rules and regulations thereunder. The Company shall not be obligated by virtue of any terms and conditions of any Stock Incentive or any provisions of the Plan to recognize the exercise of a Stock Option or to sell or issue shares in violation of the Securities Act or the law of any government having jurisdiction thereof. Any postponement or delay by the Company in recognizing the exercise of any Stock Option or in issuing any shares under a Stock Award or otherwise hereunder shall not extend the term of a Stock Option nor shorten the term of any restriction period or vesting period attached to any Stock Award or other award and neither the Company nor its directors or officers shall have any obligation or liability to the holder of a Stock Incentive or to any other person with respect to any shares as to which a Stock Option or other award shall lapse because of such postponement or as to which issuance under a Stock Award or other Stock Incentive was delayed.

(c) No Rights as Stockholder. Subject to the provisions of the applicable Stock Incentive, no Participant (individually or as a member of a group), and no beneficiary or other person claiming under or through him, shall have any right, title or interest in or to any shares of Common Stock allocated or reserved for the purposes of the Plan or subject to any Stock Incentive, except as to such shares of Common Stock, if any, as shall have been issued or transferred to him.

(d) Grants of Awards to Future Employees. The Company or a Subsidiary may, with the approval of the Committee, enter into an agreement or other commitment to grant a Stock Incentive in the future to a person who is or will be at the time of grant an Eligible Person, and, notwithstanding any other provision of the Plan, any such agreement or commitment shall not be deemed the grant of a Stock Incentive until the date on which the Committee takes action to implement such agreement or commitment, which date shall for the purpose of the Plan be the date of grant.

(e) Implementation of Stock Incentives by Subsidiaries. In the case of a grant of a Stock Incentive to any employee of a Subsidiary, such grant may, if the Committee so directs, be implemented by the Company issuing or transferring the shares, if any, covered by the Stock Incentive to the Subsidiary, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Subsidiary will transfer the shares to the employee in accordance with the terms of the Stock Incentive. Notwithstanding any other provision hereof, such Stock Incentive may be issued by and in the name of the Subsidiary and shall be deemed granted on the date it is approved by the Committee or on such later date as the Committee shall specify.

(f) Withholding and Payment of Taxes. The Company or a Subsidiary may make such provisions as it may deem appropriate for the withholding of any taxes which the Company or Subsidiary determines it is permitted or required to withhold in connection with any Stock Incentive. Such provisions may include a requirement that all or part of the amount of such taxes be paid to the Company or Subsidiary, in cash, at the time of settlement and may permit the Company to withhold an amount of cash, if any, which would otherwise be payable to a Participant, including withholding from wages or other cash compensation or awards otherwise due to the Participant, under this Plan or otherwise, in the amount necessary to satisfy any such obligation. In the discretion of the Committee such provisions may also permit the payment of such taxes by the Company through the withholding of shares of Common Stock to be issued under a Stock Incentive, either on a mandatory or elective basis, or the delivery of shares of Mature Stock owned by the Participant (either actual delivery or by attestation procedures established by the Company), in any such case having an aggregate Fair Market Value, determined as of the date the obligation to withhold or pay taxes arises in connection with a Stock Incentive, not exceeding the Company's minimum statutory withholding amount, based on the Company's minimum statutory withholding rates for federal and state tax purposes, including payroll taxes, that are applicable to the taxable income resulting from the Stock Incentive. Any fraction of a share of Common Stock which would be required to satisfy such an obligation shall be disregarded and the remaining amount due shall be paid in cash by the holder.

(g) Required Consent to and Notification of Code Section 83(b) Election. No election under Section 83(b) of the Code (to include in gross income in the year of transfer the amounts specified in Code Section 83(b)) or under a similar provision of the laws of a jurisdiction outside the United States may be made unless expressly permitted by the terms of the Award Agreement or by action of the Committee in writing prior to the making of such election. In any case in which a Participant is permitted to make such an election in connection with a Stock Incentive, the Participant shall notify the Company of such election within ten days of filing notice of the election with the Internal Revenue Service or other governmental authority, in addition to any filing and notification required pursuant to regulations issued under Code Section 83(b) or other applicable provision.

(h) Non-transferability. Except with the Committee's prior approval, (i) no Stock Incentive and no rights under a Stock Incentive or under the Plan, contingent or otherwise, shall, by operation of law or otherwise, be transferable or assignable or subject to any encumbrance, pledge, hypothecation or charge of any nature, or to execution, attachment or other legal process, except that, in the event of the death of the Participant, the Participant's rights under the Stock Incentive may pass, as provided by law, to the legal representatives of the Participant, and such legal representatives may transfer any rights in respect of such Stock Incentive to the person or persons or entity (including a trust) entitled thereto under the will of Participant, or in the case of intestacy, under the applicable laws relating to intestacy, and (ii) during the life of a Participant, the Stock Incentive shall be exercisable only by such Participant.

(i) Other Compensation. Nothing in the Plan is intended to be a substitute for, or shall preclude or limit the establishment or continuation of, any other plan, practice or arrangement for the payment of compensation or fringe benefits to employees generally, or to any class or group of employees, which the Company or any Subsidiary now has or may hereafter lawfully put into effect, including, without limitation, any retirement, pension, profit-sharing, insurance, stock purchase, incentive compensation or bonus plan.

(j) Place of Administration. The place of administration of the Plan shall conclusively be deemed to be within the State of Kansas and the validity, construction, interpretation and administration of the Plan and of any rules and regulations or determinations or decisions made thereunder, and the rights of any and all persons having or claiming to have any interest therein or thereunder, shall be governed by and be determined exclusively and solely in accordance with, the laws of the State of Kansas. Without limiting the generality of the foregoing, the period within which any action arising under or in connection with the Plan, or any payment or award made or purportedly made under or in connection therewith, must be commenced, shall be governed by the laws of the State of Kansas, irrespective of the place where the act or omission complained of took place and of the residence of any party to such action and irrespective of the place where the action may be brought.

(k) Substitute Options. Stock Incentives may be granted under the Plan from time to time in substitution for stock incentives held by employees of other corporations who are about to become employees of the Company or a Subsidiary as the result of a merger or consolidation of the employing corporation with the Company or a Subsidiary, or the acquisition by the Company or a Subsidiary of the assets of the employing corporation, or the acquisition by the Company or a Subsidiary of stock of the employing corporation as the result of which it becomes a Subsidiary. The terms and conditions of the substitute options so granted may vary from the terms and conditions set forth in this Plan to such extent as the Committee at the time of grant may deem appropriate to conform, in whole or in part, to the provisions of the stock incentives in substitution for which they are granted.

(l) Unfunded Status of Awards: Creation of Trusts. The Plan is intended to constitute an “unfunded” plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant or obligation to deliver Common Stock pursuant to a Stock Incentive, nothing contained in the Plan or any Award Agreement shall give any such Participant any rights that are greater than those of a general creditor of the Company; provided that the Committee may authorize the creation of trusts and deposit therein cash, Common Stock, other Stock Incentives or other property, or make other arrangements to meet the Company’s obligations under the Plan. Such trusts or other arrangements shall be consistent with the “unfunded” status of the Plan unless the Committee otherwise determines with the consent of each affected Participant.

(m) Payments in the Event of Forfeitures: Fractional Shares. If so determined by the Committee, in the event of a forfeiture of a Stock Incentive with respect to which a Participant paid cash consideration, the Participant shall be repaid the amount of such cash consideration. No fractional shares of Stock shall be issued or delivered pursuant to the Plan or any Stock Incentive. Except as provided in the Plan, the Committee shall determine whether cash, other Stock Incentives or other property shall be issued or paid in lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

(n) Certain Limitations Relating to Accounting Treatment of Awards. At any time that the Company is accounting for Stock Incentives under Accounting Principles Board Opinion 25 (“APB 25”), the Company intends that, with respect to such Stock Incentives, the compensation measurement date for accounting purposes shall occur at the date of grant or the date performance conditions are met if a Stock Incentive is fully contingent on achievement of performance goals, unless the Committee specifically determines otherwise. Therefore, other provisions of the Plan notwithstanding, in order to preserve this fundamental objective of the Plan, if any authority granted to the Committee hereunder or any provision of the Plan or a Stock Incentive agreement would result, under APB 25, in “variable” accounting or a measurement date other than the date of grant or the date such performance conditions are met with respect to such Stock Incentives, if the Committee was not specifically aware of such accounting consequence at the time such Stock Incentive was granted or provision otherwise became effective, such authority shall be limited and such provision shall be automatically modified and reformed to the extent necessary to preserve the accounting treatment of the award intended by the Committee. This provision shall cease to be effective if and at such time as the Company no longer accounts for equity compensation under APB 25.

(o) Compliance with Code Section 162(m). It is the intent of the Company that Options and Stock Appreciation Rights granted to Covered Employees and other Stock Incentives designated as “Awards to Covered Employees” subject to Section 8(b) shall constitute qualified “performance-based compensation” within the meaning of Code Section 162(m) and regulations thereunder. Accordingly, the terms of Sections 8(b), (c) and (d), including the definitions of Covered Employee and other terms used therein, shall be interpreted in a manner consistent with Code Section 162(m) and regulations thereunder. Because the Committee cannot determine with certainty whether a given Participant will be a Covered Employee with respect to a fiscal year that has not yet been completed, the term Covered Employee as used herein shall mean only a person designated by the Committee as likely to be a Covered Employee with respect to a specified fiscal year. If any provision of the Plan or any Award Agreement relating to a Performance Award that is designated as intended to comply with Code Section 162(m) does not comply or is inconsistent with the requirements of Code Section 162(m) or regulations thereunder, such provision shall be construed or deemed amended to the extent necessary to conform to such requirements, and no provision shall be deemed to confer upon the Committee or any other person discretion to increase the amount of compensation otherwise payable in connection with any such award upon attainment of the applicable performance objectives.

(p) Agreement. The Committee may condition a Participant's right (i) to exercise, vest or settle the award, and (ii) to receive delivery of shares, on the execution and delivery to the Company of the Award Agreement and the completion of other requirements, including, but not limited to, the execution of a non-compete and/or non-solicitation agreement by the recipient and delivery thereof to the Company. Acceptance of, or receipt of the benefit of, a Stock Incentive shall be conclusively presumed to be assent by the holder to all of the terms and conditions of the Plan and of the Award Agreement, whether or not signed by the holder.

(q) Termination of Employment or Service. Unless otherwise determined by the Committee, a Participant employed by an entity that is a Subsidiary under this Plan shall be deemed to have terminated employment with or service to the Company for purposes of this Plan on the date that such entity ceases to be a Subsidiary hereunder.

(r) Designation of Beneficiary.

(i) If permitted by the Committee, a Participant may file with the Committee a written designation of one or more persons as such Participant's beneficiary or beneficiaries (both primary and contingent) in the event of the Participant's death. To the extent an outstanding Stock Option granted hereunder is exercisable, such beneficiary or beneficiaries shall be entitled to exercise such Stock Option to the extent permitted under local law.

(ii) Each beneficiary designation shall become effective only when filed in writing with the Committee during the Participant's lifetime on a form prescribed by the Committee. The filing with the Committee of a new beneficiary designation shall cancel all previously filed beneficiary designations.

(iii) If a Participant fails to designate a beneficiary, or if all designated beneficiaries of a Participant predecease the Participant, then each outstanding Stock Option hereunder held by such Participant, to the extent exercisable, may be exercised by, and any Stock Award not yet delivered shall be delivered, exchanged, or paid to, such Participant's legal representative.

15. AMENDMENT OR DISCONTINUANCE OF PLAN.

(a) Amendment. The Plan may be amended by the Board of Directors at any time, provided that without the affirmative vote of the holders of a majority of the shares of the Company's Common Stock and the affirmative vote of the holders of a majority of the Company's Preferred Stock present or represented, and entitled to vote at a meeting duly held in accordance with applicable law, no amendment shall be made which (i) increases the aggregate number of shares of Common Stock that may be issued or transferred pursuant to Stock Incentives as provided in Section 4, (ii) amends the provisions of paragraph (a) of Section 13 with respect to eligibility of members of the Committee, (iii) permits any person who does not meet the eligibility requirements of the Plan to be granted a Stock Incentive, (iv) amends the provisions of Sections 5, 6, 7 or 8 to permit shares to be valued or to be optioned at less than 100% of Fair Market Value or to change the business criteria in Section 8 upon which Performance Awards are based, (v) amends Section 12 to extend the term of the Plan, or (vi) amends this Section 15. Any amendment to the Plan shall be submitted to the Company's stockholders for approval not later than the earliest annual meeting for which the record date is after the date of such Board action if such stockholder approval is required by any federal or state law or regulation or the rules of any stock exchange or automated quotation system on which the Common Stock may then be listed or quoted, and the Board may otherwise, in its discretion, determine to submit other amendments to the Plan to stockholders for approval. Without the approval of stockholders, the Committee will not amend or replace previously granted Options or Stock Appreciation Rights in a transaction that constitutes it "repricing." For purposes of this plan, a "repricing" means: (1) amending the terms of an Option or Stock Appreciation Right after it is granted to lower its exercise price; (2) any other action that is treated as a repricing under generally accepted accounting principles; and (3) canceling an Option or Stock Appreciation Right at a time when its strike price is equal to or greater than the fair market value of the underlying Stock, in exchange for another Option, Stock Appreciation Right, Stock Award, or other equity, unless the cancellation and exchange occurs in connection with a merger, acquisition, spin-off or other similar corporate transaction. A cancellation and exchange described in clause (3) of the preceding sentence will be considered a repricing regardless of whether the Option, Stock Award or other equity is delivered simultaneously with the cancellation, regardless of whether it is treated as a repricing under generally accepted accounting principles, and regardless of whether it is voluntary on the part of the Option holder. Adjustments to awards under Section 10 will not be deemed "repricings," however.

(b) Discontinuance. The Board of Directors may by resolution adopted by a majority of the entire Board of Directors discontinue the Plan at any time.

(c) Consents. No amendment or discontinuance of the Plan by the Board of Directors or the stockholders of the Company shall adversely affect, without the consent of the holder thereof, any Stock Incentive theretofore granted.

This opinion reflects only the application of the General Corporation Code of the State of Kansas.

We hereby consent to the inclusion of this opinion as Exhibit 5.1 to the Registration Statements. In giving such consent, we do not thereby concede that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations thereunder.
