Item 4. Description of Securities

The Registrant's common stock, no par value, is registered pursuant to Section 12 of the Exchange Act and, therefore, the description of securities is omitted.

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

Section 17-6002 (a)(8) of the Kansas General Corporation Code provides that a certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the corporation or its stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) under Section 17-6424 of the Kansas General Corporation Code (relating to liability for unauthorized acquisitions or redemptions of, or dividends on, capital stock) and amendments thereto; or (iv) for any transaction from which the director derived an improper personal benefit. The Registrant's restated and amended certificate of incorporation contains the provisions permitted by Section 17-6002 (a)(8) of the Kansas General Corporation Code. The effect of these provisions is to eliminate the Registrant's and its stockholders' rights (through stockholders' derivative suits on behalf of the Registrant) to recover monetary damages against a director for breach of the fiduciary duty of care as a director except in the situations described in clauses (i) through (iv) above. The limitations described above, however, do not affect the ability of the Registrant or its stockholders to seek non-monetary based remedies, such as an injunction or rescission, against a director for breach of his fiduciary duty nor would such limitations limit liability under the federal securities laws.

Under Section 17-6305 of the Kansas General Corporation Code, a corporation has the power under specified circumstances to indemnify its directors, officers, employees and agents in connection with actions, suits or proceedings brought against them by a third party or in the right of the corporation, by reason of the fact that they were or are such directors, officers, employees or agents, against expenses, judgments and other amounts incurred in any such action, suit or proceeding.

The Bylaws of the Registrant provide that each person who was or is made a party or is threatened to be made a party to or is involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "proceeding"), by reason of the fact that such person, or a person of whom such person is the legal representative, is or was a director or officer, of the Registrant, or who, while a director, officer or employee of the Registrant, is or was serving at the request of the Registrant as a director or officer of another enterprise, whether the basis of such proceeding is alleged action in an official capacity as a director or officer, or in any other capacity while serving as a director or officer, will be indemnified and held harmless by the Registrant to the fullest extent authorized by the Kansas General Corporation Code, as the same exist or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Registrant to provide broader indemnification rights than said law permitted the Registrant to provide prior to such amendment), against all expenses, liability and loss (including attorney's fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith; provided, however, that, the Registrant will indemnify any such person seeking indemnity in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Board of Directors of the Registrant. The right to indemnification conferred in the Bylaws includes the right to be paid by the Registrant the expenses, including attorneys fees, incurred in defending any such proceeding in advance of its final disposition; provided, however, that the payment of such expenses incurred by a present or former director or officer in advance of the final disposition of a proceeding, will be made only upon delivery to the Registrant of an undertaking, by or on behalf of such present or former director or officer, to repay all amounts so advanced if it will ultimately be determined that such present or former director or officer is not entitled to be indemnified under this Section or otherwise. The Registrant may, by action of its Board of Directors, provide indemnification and expense advances to employees and agents of the Registrant with the same scope and effect as the foregoing indemnification of present and former directors and officers.

Notwithstanding anything contained in the Bylaws to the contrary, the Registrant is not liable, unless otherwise provided by separate written agreement, by-law or other provision for indemnity, to make any payment in connection with any claim made against the director or officer: (1) for an accounting of profits made from the purchase or sale by the officer or director of securities of the Registrant within the meaning of Section 16(b) of the Securities Exchange Act of 1934 and amendments thereto; or (2) for amounts paid in settlement of any proceeding effected without the written consent of the Registrant, which consent will not be unreasonably withheld.

The indemnification provisions of the Bylaws are deemed to be a contract between the Registrant and each person who serves as contemplated as a director or officer at any time while such provisions are in effect; they continue as to a person who has ceased to be a director or officer; and they inure to the benefit of such person's heirs, executors and administrators. Such provisions may be limited or qualified as to service occurring subsequent to such limitation or qualification by authority of the Board of Directors; provided, however, any such limitation or qualification, or any other repeal or amendment does not affect any right or obligation then existing with respect to any state of facts then or theretofore existing or any action, suit or proceeding theretofore or thereafter brought based in whole or in part upon any such state of facts. In the event of payment, the Registrant will be subrogated to the extent of such payment to all of the rights of recovery of the director or officer. The Registrant is entitled to participate at its expense in any proceeding for which a director or officer may be entitled to indemnity, and it may assume the defense thereof with counsel satisfactory to the director or officer unless the officer or director reasonably concludes that there may be a conflict of interest between the Registrant and the director or officer in the conduct of such defense. If a claim is not paid in full by the Registrant within ninety (90) days after a written claim has been received by the Registrant, the claimant may at any time thereafter bring suit against the Registrant to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant will be entitled to be paid also the expense (including reasonable attorneys' fees) of prosecuting such claim. It is a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking has been tendered to the Registrant) that the claimant has not met the standards of conduct which make it permissible under the Kansas General Corporation Code for the Registrant to indemnify the claimant for the amount claimed, but the burden of proving such defense will be on the Registrant. Neither the failure of the Registrant (including its Board of Directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because such person has met the applicable standard of conduct set forth in the Kansas General Corporation Code, nor an actual determination by the Registrant (including its Board of Directors, independent legal counsel, or its stockholders) that the claimant had not met such applicable standard of conduct, will be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

The right to indemnification and the payment of expenses incurred in defending a proceeding in advance of its final disposition conferred by the Bylaws is not exclusive of any other right which any person may have or hereafter acquire under any statute, provision of the Articles of Incorporation, bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

The Registrant currently has directors and officers' liability insurance that insures directors and officers of the Registrant with respect to claims made for alleged "wrongful acts" in their roles as directors or officers of the Registrant and its subsidiaries. The insurance also insures the Registrant for claims against the Registrant's directors or officers in situations in which the Registrant has an obligation to indemnify its directors and officers.

Not applicable.

Item 9. Undertakings

1. The undersigned Registrant hereby undertakes:
 - (a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by section 10(a)(3) of the Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of the securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) (Section 230.424(b) of this chapter) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;
 - (b) That, for the purpose of determining any liability under the Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 - (c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
 2. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 3. Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suite or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
