## **MGP INGREDIENTS BOARD DECLARES \$0.08 ANNUAL DIVIDEND Annual Dividend Increase of 33%**

**ATCHISON, Kan., March 10, 2016 - MGP Ingredients, Inc. (Nasdaq/MGPI)**, a leading supplier of premium distilled spirits and specialty wheat proteins and starches, today announced that its board of directors has declared an annual dividend of 8 cents per share of common stock payable on April 14, 2016 to stockholders of record as of March 21, 2016.

"Today's dividend increase highlights the solid progress we have made toward transforming MGP and reflects our confidence in the Company's ability to deliver solid cash flow in 2016 and beyond," said Karen Seaberg, Chair of the Board. "The board views dividends as an important way to share the success of MGP with our stockholders. By declaring this year's annual dividend, we are recognizing the company's strong and improving foundation and long term potential."

### **About MGP Ingredients, Inc.**

MGP is a leading producer and supplier of premium distilled spirits and specialty wheat proteins and starches. Distilled spirits include premium bourbon and rye whiskeys, gins and vodkas, which are carefully crafted through a combination of art and science and backed by over 150 years of experience. The company's proteins and starches are created in the same manner and provide a host of functional, nutritional and sensory benefits for a wide range of food products. MGP additionally is a top producer of high quality industrial alcohol for use in both food and non-food applications. The company is headquartered in Atchison, Kansas, where distilled alcohol products and food ingredients are produced. Premium spirits are also distilled and matured at the company facility in Lawrenceburg, Indiana. For more information, visit [mgpingredients.com](http://mgpingredients.com).

## Cautionary Note Regarding Forward-Looking Statements

This news release contains forward-looking statements as well as historical information. All statements, other than statements of historical facts, included in this news release regarding the prospects of our industry and our prospects, plans, financial position and business strategy may constitute forward-looking statements. In addition, forward-looking statements are usually identified by or are associated with such words as "intend," "plan," "believe," "estimate," "expect," "anticipate," "hopeful," "should," "may," "will," "could," "encouraged," "opportunities," "potential" and/or the negatives or variations of these terms or similar terminology. They reflect management's current beliefs and estimates of future economic circumstances, industry conditions, Company performance, and Company financial results and are not guarantees of future performance. All such forward-looking statements are subject to certain risks and uncertainties that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement. Important factors that could cause actual results to differ materially from our expectations include, among others: (i) disruptions in operations at our Atchison facility, Indiana facility, or at the Illinois Corn Processing, LLC ("ICP") facility, (ii) the availability and cost of grain, flour, and barrels, and fluctuations in energy costs, (iii) the effectiveness of our corn purchasing program to mitigate our exposure to commodity price fluctuations, (iv) the effectiveness or execution of our five-year strategic plan, (v) potential adverse effects to operations and our system of internal controls related to the loss of key management personnel, (vi) the competitive environment and related market conditions, (vii) the ability to effectively pass raw material price increases on to customers, (viii) the positive or adverse impact to our earnings as a result of the high volatility in our equity method investment's, ICP's, operating results, (ix) ICP's access to capital, (x) our limited influence over the ICP joint venture operating decisions, strategies or financial decisions (including investments, capital spending and distributions), (xi) our ability to source product from the ICP joint venture or unaffiliated third parties, (xii) our ability to maintain compliance with all applicable loan agreement covenants, (xiii) our ability to realize operating efficiencies, (xiv) actions of governments, (xv) consumer tastes and preferences, and (xvi) the volatility in our earnings resulting from the timing differences between a business interruption and a potential insurance recovery. For further information on these and other risks and uncertainties that may affect our business, including risks specific to our Distillery Products and Ingredient Solutions segments, see *Item 1A. Risk Factors* of our Annual Report on Form 10-K for the year ended December 31, 2015.
