(Amended and Restated as of May 21, 2020)

The Board of Directors (“**Board**”) of MGP Ingredients, Inc. (the “**Company**”) has established an Audit Committee (the “**Committee**”). The following charter (“**Charter**”) will govern the purpose, organization, membership, authority and duties of the Committee.

1. Purpose. The principal purpose of the Committee is to assist the Company’s Board in fulfilling its oversight responsibilities with respect to (i) accounting and financial reporting processes, (ii) financial statement audits,¹ and (iii) monitoring significant risk exposures. In this regard and as more fully set forth herein, the Committee:

(a) reviews the qualifications and independence, and appoints, replaces and approves the services and sets the compensation, of the independent registered public accounting firm to serve as independent auditor for the Company (“**Independent Auditor**”);

(b) meets with the Independent Auditor, management, persons performing the internal audit function and counsel to review matters relating to financial reporting and accounting procedures and policies, the adequacy of disclosure controls and procedures, major financial risk exposures, the adequacy of internal controls, the scope of the audit performed by the Independent Auditor and the Company’s compliance with legal and regulatory requirements;

(c) reviews the results of the audit; and

(d) submits any recommendations it may have from time to time to the Board with respect to financial reporting and accounting procedures and policies, internal controls and other matters that may come to its attention.

The Committee is also charged with the responsibility of annually reviewing the process involved in the Company’s implementation of its Code of Conduct and making recommendations to management and the Board in connection therewith.

¹ Although the Committee has the responsibilities and powers set forth in this Charter, it is not the responsibility of the Committee to plan or conduct audits or to determine that the Company’s financial statements and disclosures are accurate or complete or whether they have been prepared in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibility of management and the Independent Auditor.

2. **Organization of Committee.**

(a) **Number and Qualifications.** The Committee shall be comprised of not less than three directors. Members of the Committee will be appointed and may be removed by the Board. No member shall have a relationship to the Company which, in the opinion of the Board, would interfere with the exercise of his or her independent judgment in carrying out the responsibilities of a director. Each member shall meet the applicable independence requirements of Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the "Act") and of the Nasdaq Listing Rules, except as permitted by such Rules.² Each member shall be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement, and cash flow statement, at the time of his or her appointment to the Committee. At least one member shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a Chief Executive Officer, Chief Financial Officer or other senior officer with financial oversight responsibilities. At least one member shall be an "audit committee financial expert" as defined in the Act and the rules promulgated thereunder. No member of the Committee shall simultaneously serve on the audit committee of more than two other public companies.

(b) **Committee Chairperson.** The Board shall appoint one member of the Committee as the chairperson for such term as the Board may specify at the time of the appointment. The Committee chairperson shall have the responsibility of moderating and presiding over meetings of the Committee and shall have such other responsibilities as may be assigned by resolution of the Board or the Committee. If the Committee Chairperson is not present, the Committee members may designate a chairperson by majority vote of the Committee membership.

(c) **Rules of Procedure.** The committee is governed by the same rules regarding meetings, quorum and voting requirements as are applicable to the Board. The Committee may adopt such other rules of procedure as are not inconsistent with this Charter, the Company's articles of incorporation and bylaws, and the laws of the State of Kansas.

3. **Authority.**

(a) **General.** The Committee shall have the authority necessary to enable it to carry out its responsibilities as set forth in this Charter, including authority to conduct investigations into any matters within its scope of responsibility. All employees are directed to cooperate as requested by members of the Committee.

² Under exceptional and limited circumstances, the Board may determine that membership on the Committee by an individual who is not independent, as defined in the Nasdaq Listing Rules, is required by the best interests of the Company and its shareholders. In such cases, the Board shall disclose, in the next annual proxy statement subsequent to such determination, the nature of the relationship and the reasons for that determination. In the exercise of its business judgment the Board may consider applicable cure period rules.

(b) Appointment of Independent Auditor. The Committee shall have the sole authority to appoint or terminate and replace the Independent Auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services. The Committee shall set the compensation and have oversight responsibilities of the work of the Independent Auditor. The Independent Auditor shall report directly to the Committee.

(c) Pre-approval of Services. The Committee shall pre-approve all auditing services and permitted non-audit services (including terms and fees) to be performed for the Company by its Independent Auditor, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Act which are approved by the Committee prior to the completion of the audit. The Committee may delegate pre-approval authority to its Chairperson or to subcommittees consisting of one or more members so long as any decision to grant pre-approvals is presented to the full Committee for informational purposes at its next scheduled meeting. The Committee may provide for the pre-approval of services through the adoption of additional pre-approval policies and procedures, provided the policies and procedures are detailed as to the particular services, the Committee is informed of each service and the procedures do not include delegation to management of audit committee responsibilities under the Act. Any internal control related services by the Independent Auditor will be specifically approved.

(d) Advisers. The Committee may, to the extent it deems necessary or appropriate to do so, retain independent legal, accounting or other advisers. The Company will provide for appropriate funding, as the Committee determines, to compensate the Independent Auditor and any advisers employed by the Committee and to provide for ordinary administrative expenses of the Committee in carrying out its duties.

4. Responsibilities. Subject to the provisions of Section 1, the Committee shall have the following duties, together with such other duties and responsibilities as the Board may delegate by resolution to the Committee from time to time.

(a) Meetings. The Committee shall meet as often as it determines necessary but not less frequently than quarterly. Meetings may be called at the request of the Chairman of the Board, the Committee Chairman, a majority of the members of the Committee or the Company's Chief Executive Officer.
